Dean Berry thanked the members for agreeing to serve on the steering committee and for meeting during summer. Two important issues were discussed.

1. Budget Control for College – A draft memo to Provost Richters requesting control over the College's budget was provided to the Committee for discussion and approval. The memo was approved and signed by all committee members.
2. Faculty Raises- proposals were presented to the committee for the College's pay raise plan. The committee members were asked to visit with colleagues in the college for input related to the final raise plan. A list of questions related to the plan that should be answered was distributed. Members would think about the alternatives and come prepared to discuss them at the next meeting. The Dean and a representative of the committee will have to appear before the ULM Faculty Senate during University Week to present the College's pay plan.
3. The next meeting was scheduled for Thursday, July 20 at 2:30 in the CBA Conference Room.
